Academic Advisor Assignment Status

New Save

Senior Advisor   After entering the academic advisor, click 'Save' on the right.  
(If the Primary Academic Advisor and the Co-Advisor are the same person, do not enter a Co-Advisor.)

Cooperative Supervisor

Thesis (Report) Proposal Application Details \* This is a guide to the submission period for papers (reports).

New Delete Save

Paper Classification:  Thesis  Graduation Research Report

Korean Thesis

English Title  2)

Outline 

1. Select either Thesis or Graduation Research Report.
2. **Both the Korean thesis title and the English thesis title must be fully completed.**
3. After writing the thesis summary, click 'Save' on the right.

- \* Academic advisors can only apply if the total number of semesters completed, including the current semester, is at least 2 semesters.
- \* If you do not have an assigned advisor, click the 'New' button in the advisor assignment status to select the advisor, save it, and then create a plan.
- \* If you are creating a new proposal while your advisor is assigned, please click the 'New' button in the thesis proposal application details, enter the details, and then create a plan.
- \* If you press the 'Delete' button, the plan you are creating will be deleted.

3) For submission, submit one (1) copy each of the [Application for Assignment](#) and the [Research Proposal](#).
